

Texas Camp Syllabi Master Index

This Texas Camp Index lists over 1400 dances published in Texas Camp syllabi from 1954 through 2011 (except 1955 and 1957). Some background material and songs are also indexed. This index was compiled by Sally Jenkins from Tulsa and Chuck Roth from Austin. Not all dances listed were actually taught at Texas Camp. In a number of the syllabi, the pages were not numbered, so we manually numbered our copies for purposes of indexing. Our numbering might not correspond to your numbering.

Explanation of columns in the index:

The dance names in the TITLE column are listed alphabetically, except in many cases articles (The, A, La, etc.) have been moved to the end of the name. So if you don't find it under The Bishop or La Belle Katherine, look under Bishop, The or Belle Katherine, La. In most cases, the dance name is given and not the name of the tune to which it is danced.

In the FORMation column, abbreviations are used as follows:

cir = circle, no partners (usually a closed circle)

cpl = couple

cpl-mix = couple mixer

set = a couple dance done in a set where couples interact with each other

set2, set3, set4, etc. = set of 2, 3, 4, etc. couples

setL = longways set with number of couples unspecified

3s = (threes) a trio dance

3s-mix = a trio dance that is a mixer

ind = individual (usually a group of dancers scattered around the floor)

Some of the dances may be done in more than one formation, and this is sometimes indicated in the notes.

In the SP (special) column, M means sheet Music included, S means Song words, and G means general information. This column is incomplete, especially for the earlier years.

In the SOURCE column, TFDC03-07 means page 7 in the 2003 Texas Folk Dance Camp syllabus, TFDC72-37 means page 37 in the 1972 syllabus, etc.

The INSTRUCTOR column lists the instructor who taught the dance at camp, not the instructor who originally collected or arranged the dance sequence.

Please report any errors or omissions to Chuck at TIFD@austin.rr.com We plan to add the early years of camp (1949 through 1953) to the index at a later time. The information for the years 1972 through 1981 was taken from the index published in the 1982 Texas Camp syllabus, and we will add any missing information later.
