

# Application – Kitchen/Dishwashing Work Scholarship

## TEXAS CAMP 2011

We offer **half scholarships** for full-time campers who **commit to 12 hours of work** in the kitchen and/or dishwashing areas during the four-day weekend of camp, beginning at 10:00 a.m. on Thursday, Thanksgiving Day.

**Kitchen shifts** occur at various times during the day and/or evening, and involve helping with food preparation and service. **Dishwashing shifts** occur primarily after mealtimes. Work schedules will be set once scholarships are finalized. We will do our best to accommodate your individual scheduling preferences.

- Only full-time campers are eligible for work scholarships.
- Scholarship recipients must pay the balance of their registration fees.
- For safety, all scholarship workers **MUST** wear closed-toe shoes with non-slip soles while on shift.

**Applications must be received by October 1.** Scholarships are awarded on a first-come, first-served basis – apply early! All applicants will receive notice of results no later than October 20.
