

Policies regarding the use of our waterfront and ropes course areas are available on request. They apply to all groups using the Camp. All groups are expected to adhere to these policies as established. No waterfront or ropes course activities may take place without prior arrangements with the Camp administration, and then only after assuring that all of the Camp policies are being adhered to.

If the group renting the camp includes children under the age of eighteen not accompanied by their parents the following ratios of staff who are on duty with campers must be maintained: (campers/staff)

4 - 5 years old: 5/1 6 - 8 years old: 6/1 9 - 14 years old: 8/1 15 - 18 years old: 10/1

The Camp advises all group leaders to gather and maintain the following information in writing: a) Names and addresses of all participants, b) Emergency contact names and numbers, c) A listing of any persons with known allergies or health conditions requiring treatment, restriction, or other accommodations while on site, d) For minors without a parent on site, signed permission to seek emergency treatment or a signed religious waiver.

Emergency Response Procedures for Events at Greene Family Camp

In case of any Emergency, notify the Event Coordinator via walkie-talkie: The event coordinator may also be reached via intercom. The intercom number will be provided to the group leader upon arrival.

In case of medical, fire, or police emergency: Dial "9" from any camp phone for an outside line. Dial "911". Identify your location as "Greene Family Camp in Bruceville". Post a staff member or adult participant at the Camp's front gate to guide emergency vehicles to the exact location of the emergency.

Medical: Bruceville-Eddy Volunteer Emergency Medical Services responds to calls at the Camp. Emergency and non-emergency cases are normally referred to:

Scott & White Emergency Department, Temple, TX 254-724-2111

Directions: Interstate 35 South to Exit #299. Left on Loop 363 to 31st Street Exit.

Left on 31st Street. Take first entrance into hospital complex and follow "Emergency" signs.

In case of fire: Evacuate building first. Then handle as above. While calling "911", activate alarm in Activity Center (Yellow Box...the button labeled "Alert"). Check to make sure that all participants are accounted for.

In case of severe weather: Camp staff will monitor weather conditions and activate alert siren if necessary (weather alert is modulating tone). Participants will take shelter in designated areas (cabin or program facility bathrooms).

Vehicular traffic: In order to allow the movement of emergency vehicles through the Camp, all guests' vehicles must be parked in one of the Camp's two designated parking areas. No vehicles may be parked in or around the cabins or program facilities. All vehicles must be driven only on camp roads, and not footpaths. The Camp speed limit is 10 MPH.

Off-Limits areas: The kitchen, lake, swimming pools, zoo area, kibbutz, gymnastics area and the ropes course are all specifically off-limits to event participants. Availability of these activities will be determined in advance and will require proper supervision.

At the beginning of each event, the event leadership must orient the group. The following items must be covered:

1. Emergency procedures as outlined above
2. Assembly area in case of fire
3. Shelter in case of inclement weather
4. Vehicular traffic limits
5. Smoking Policy
