Party Themes

Thursday: **Enchantment Under The Seven Seas**

At evening's high tide, we'll get along swimmingly as we join the rest of the school – fish, that is – on the dance, er, sea floor. If it's under the ocean, it's at the top of the list as a costume idea. Come out of your shell and shine. Fins and scales and sunken treasure takes, that's what this party is made of.

Friday: ROMANIAN: **Seven Shades of Romanian**

Folk dancers are nothing if not colorful, right? Let's paint the town with the full spectrum of hues from the brilliant Romanian rainbow. Don your embroidered ethnic best, dress head to toe in your favorite color, or heck- wear them all. Roy G. Biv, baby!

Saturday: VINTAGE: **Lucky Seven Casino**

Hey, all you vintage guys and dolls, the casino is open! Glamour and danger glitter in the air. Risk a game of chance, or ask your baby for a dance. Gangsters, movie stars, gold diggers, spies, rum runners and royalty all rub shoulders here, puttin' on the Ritz in their finest fancy duds from the 1920s, '30s and '40s. Roll up in your Rolls, roll down your stockings and roll the dice. It's swell!
