Rough Translations found online:

Look how I go on for your love (See how I am doing my love)
 Drunk and impassioned, only for you love
 Look how I go on, dear, given to drunkenness and hopelessness (ruin)

You, only you have filled my life with sorrow,
 opening every wound in my heart
 You, only you are the cause of all of my crying,
 of my disillusionment and desperation (disappointment and despair)

Only your fatal shadow, shadow of evil, follows me everywhere so obstinately
 And for wanting to forget, I throw myself to drunkenness and despair
