(More or less translation) This passionate love, which is all upsetting, to return
 I'm on my way to madness, And even though everything tortures me I know love We left long ago
 But the time came to lose. You were very right. I pay attention to the heart, And I'm dying to go back
 And come back, come back To your arms again. I will arrive to where you are
 I know how to lose, I know how to lose, I want to go back, come back, come back
